

## **Activity report 2019 ESERA SIG 2 „Video-based research on teaching and learning“**

(prepared by coordinators Kathrin Otrell-Cass and Hannah Sevian)

ESERA 2019 conference and follow up activities

- During the ESERA 2019 conference the SIG 2 had their meeting and distributed the minutes later to their members.
- SIG 2 has to date 52 members.
- We sent out one newsletters to all SIG members informing about the upcoming bi-annual meeting in Jyväskylä, Finland. It will be hosted by Antti Lehtinen and the research group of the Science and Mathematics Education Research at the Department of Teacher Education, Faculty of Education and Psychology, University of Jyväskylä ([www.jyu.fi/en](http://www.jyu.fi/en)). The SIG meeting in 2020 will be hosted with purposeful overlap with the Finnish Mathematics and Science Education Research Association's annual conference (November 12<sup>th</sup> to 13<sup>th</sup>).
- Plans are underway for a special issue on validity in video-based research. Andreas Vorholzer coordinates those efforts and updates will be sent to members in the June 2020 newsletter.
